PROPERTY OWNER'S CERTIFICATION AND INDEMNITY

Re: _____
Name

Address

Tax Parcel #

I/we the undersigned property owner(s), to whom a building permit has been issued by the East Marlborough Township for the construction of a building/accessory on the above captioned property, hereby verify that the building/accessory will be constructed pursuant to the said building permit. At the time an application for certificate of occupancy is being made, this certification confirms the building/accessory has been constructed strictly in accordance with the International Residential Code and/or the International Building Code, 2006 edition.

The undersigned further agree(s) to indemnify East Marlborough Township and Township officials and employees and save them harmless against any claim for any personal injury, property damage, or any other claim whatsoever which may at any time be brought against them in which it is alleged that the said building was not constructed in accordance with the said code, and/or that representatives or officials of East Marlborough Township negligently or improperly failed, in inspecting the said building, to observe, uncover or find any defective conditions, including but not limited to noncompliance with the said code: This indemnity includes reimbursement of attorney's fees and court costs.

The undersigned understand(s) that the statements herein are made subject to the penalties of 18 PA C.S.A. Section 4904 relating to unsworn falsification to authorities.

Property Owner

Contractor

Workers' Compensation Insurance Coverage Information
(Addendum to building permit application)

A. The Applicant is:

Name of Applicant _____

Address _____

A contractor within the meaning of the Pennsylvania Workers' Compensation Law

Yes No

If the answer is "yes", complete Section B & C below as appropriate

B. Insurance Information

Federal or State Employer Identification No. _____

Applicant is a qualified self-insurer for workers' compensation _____
 Certificate attached

Name of Workers' Compensation Insurer _____

Workers' Compensation Insurance Policy No. _____
 Certificate attached

Policy Expiration Date _____

Applicant must supply East Marlborough Township with a Workers' Compensation Certificate, which includes the effective date of the coverage and the signature of the insurer. This certificate shall be kept on file with the building permit.

I verify that my responses to these questions are true and correct to the best of my knowledge, information and belief. I understand that false statements herein are subject to the penalties of 18 Pa. C.S.A., Section 4904 relating to unsworn falsification to authorities

Signature of Applicant

C. Exemption

Complete Section C if the applicant is a contractor claiming exemption from providing workers' compensation insurance.

The undersigned swears or affirms that he/she is not required to provide workers' compensation insurance under the provision of Pennsylvania's Workers' Compensation Law for one of the following reasons, as indicated:

- Contractor with no employees.** Contractor prohibited by law from employing any individual to perform work pursuant to this building permit unless contractor provides proof of insurance to the township.
- Religious exemption under the Workers' Compensation Law.**

Subscribed and sworn to before me this

A Guide to Building Permit Applications & Inspection Process For East Marlborough Township

East Marlborough Township has adopted the Uniform Construction Code in order to comply with Act 45, mandated by the state legislators.

Please contact the Township Building Official if you have any questions about the Uniform Construction Code.

❖ Residential Permits

The Uniform Construction Code does not apply to the following structures:

- New building or renovation to existing buildings which applied for a permit or were under contract prior to April 9, 2004.
- The following structures if the structure has a building area of less than 1000 square feet and is an accessory to a detached single family dwelling. However, these structures will still require a Zoning Permit.
 - ◆ Carports
 - ◆ Detached private garages
 - ◆ Greenhouses
 - ◆ Sheds
- A permit is not required for the following items:
 - ◆ Fences that are not over four feet in height
 - ◆ Sidewalks not over 30 inches above grade
 - ◆ Swimming pools less than 24 inches deep
 - ◆ Window replacement without any structural change
 - ◆ Portable appliances
 - ◆ Replacement of existing siding
 - ◆ Replacement of a roof
 - ◆ Replacement of kitchen appliances
 - ◆ Replacement of toilets or sinks
 - ◆ Replacement of a switch, receptacle or light fixture

❖ Plan Review Requirements

Residential plans must be drawn by a licensed design professional with her or his signature and seal on each sheet. Two sets of building plans and two plot plans are required. Include location of well and septic system on the plot plan.

- Building Plan Review Requirements
 - ◆ Front, rear and side elevations
 - ◆ Footing/foundation drawing
 - ◆ Floor plan
 - ◆ Framing plan showing floor, ceiling, roof details
 - ◆ Window and door schedule
 - ◆ Location of all smoke detectors
 - ◆ “R” value of wall & ceiling insulation

- Plumbing Plan Review Requirements
 - ◆ Diagram of water system with pipe sizes
 - ◆ Diagram of drainage and venting system with pipe sizes
 - ◆ Plumbing fixture types and locations

- Mechanical Plan Review Requirements
 - ◆ Location and size of equipment
 - ◆ Diagram of air distribution and return air system
 - ◆ Ventilation and exhaust schedule(s).
 - ◆ Combustion air requirements for all new appliances
 - ◆ BTU ratings of new gas fired appliances
 - ◆ Diagram of gas piping including pipe sizes

- Electrical Plan Review Requirements
 - ◆ Location of new electrical devices: receptacles, lights, switches, appliances, panels, sub-panels and disconnects
 - ◆ Wiring diagram indicating size and type of wire
 - ◆ Panel and sub-panel schedules

To schedule inspections call: 610-444-1375. All inspections must be called in at least 24 hours in advance.

CONSTRUCTION GROUND RULES
2006 INTERNATIONAL BUILDING AND RESIDENTIAL CODE

1. Soil and erosion plans will be enforced at all times. Any silt fence or other soil/erosion problem will be fixed the day it is noted.
2. Tire scrubbers will be in place and maintained before any digging on the lot and during construction.
3. All mud carried onto the public roadway will be cleaned up immediately.
4. Each house will have a dumpster on site before construction starts. There will be absolutely no trash left on site. All trash will be cleaned up *daily*. Any trash observed blowing around on the property must be cleaned up immediately. If trash is not cleaned up, the job will be shut down.
5. Perimeter buffering and planting will be in place before any permits are issued
6. No footings will be poured with rain in the forecast.
7. Two (2) rods will be placed in all footings.
8. Footers poured in cold weather will be protected from freezing.
9. Footers for decks must be inspected. Any decks not shown with the plans will require an extra permit.
10. All corners of houses will be plywood, **NOT** Celotex wrapped.
11. Truss systems must have proper bracing and all storm clips in place
12. Fire stops must be placed on all air returns.
13. Fire stops must be placed in any chimney area.
14. Fire caulking must be on all plumbing, electrical and vent holes.
15. Any Celotex with holes in it will be replaced, not patched.
16. All plumbing must be tested to 60 psi before close-in. All strapping must be in place.
17. Garage floors must be compacted before putting in stone and concrete. Garage floors must drain to the outside doors.
18. On days when the ground is muddy, vehicles will park on the street and **NOT** in the mud. Equipment must not drive across yards when it is muddy – especially the pettybone.
19. Driveways will have a solid stone base before paving.
20. One hundred (\$100.00) dollars will be charged for any extra inspections or failed inspections. This will be paid before the Certificate of Occupancy is issued.
21. Before the Certificate of Occupancy is issued the following must be in place:
 - a. A letter from the Township engineer – Jim Hatfield – stating that the grading on the lot is satisfactory
 - b. All safety items are in place and meet code
 - c. Smoke detectors are in place and working
 - d. Driveway is in and stoned in winter or paved in the paving season.
 - e. Final inspection done on electric
 - f. Any required sewer tapping fee
 - g. Sewer & water both installed and working
 - h. Any applicable township impact fees
 - i. Roads paved and maintained to the front of any house receiving a Certificate of Occupancy
22. Certificate of Occupancy permits are \$190.00 for residential and \$400.00 for non-residential properties plus the cost of any extra or failed inspections.

East Marlborough Township

Chester County, Pennsylvania

DRIVEWAY INSTALLATION ALONG TOWNSHIP ROADS

1. All driveways shall be cut, and stone shall be installed before any site construction or earthmoving takes place.
2. A tire scrubber, consisting of #1 stone, shall be installed on the drive a minimum of fifty (50) feet from the Township road up the drive.
3. Contractor or builder shall see that all construction vehicles, delivery trucks, and workers use the tire scrubber to keep mud from tracking onto roadway.
4. Any mud or debris carried on to the roadway will be cleaned up by the contractor immediately.
5. Contractor will use "Work Area" signs and "Flagman Ahead" signs when working in the Township right-of-way.
6. East Marlborough Township reserves the right to withdraw any driveway or building permit immediately if contractor fails to heed these installation procedures.

These procedures will be strictly enforced.

I have read the above rules, and will comply with them.
